PLAYGROUND

By: Elizabeth Goggi

What is going on with the playground?

Many DaVinci students are puzzled and upset about the lack of progress on the playground. It's just a sand pit with a little bit of road on the end, right? It was promised this year and nothing has been happening!

So what's going on?

When's the playground coming?

What's the current progress on it?

What is going on?

Dr. Donaldson is working hard to get construction started and our playground plans were given to DaVinci's contractor on March 18th, 2019.

Dr. Donaldson is having DaVinci's team of engineers review the calculations for the playground equipment. When Dr. Donaldson gets the plans he will take the stamped plans and submit them to the Ogden City Building and Permits Department. The review of the new plans should take 5-10 business days.

THE PLAYS OF DAVINCI

By: Alli Sather

1st and 2nd grade– 101 Dalmatians

The second and first grade are doing 101 Dalmatians. At the night of March 18th, Ms. Mortenson's class and Mrs. Musselman's class performed their play. Ms. Mortenson states, "The kids did awesome, I was so proud of how hard my students worked." Mrs. Musselman recalls, "The play went good. They worked really hard and performed great for their parents."

The next day's performance (19th of March) Ms. Meyer's and Ms. Nightingale's class did the same play, 101 Dalmatians. Ms. Meyer comments, "The kids did awesome and I was so proud of how hard they worked." Ms. Nightingale remarks, "I think it went really good; I think the kids did great." How about the theater and music teachers' thoughts on their play? They said that they had almost canceled it, but otherwise they think the 2nd and 1st graders did great! Good job!

3rd and 4th grade– Willy Wonka

Their play was last month. Ms. Porte states, "Ohh, it was amazing! I have never seen so many talents in one room. The person who played Charlie was unbelievable, the Oompa Loompas did a good job adding passaz in it." The next 3rd grade teacher, Ms. Purtee, remarked, "It was wonderful and they did fantastic." Ms. Shutt says, "It was amazing!" Ms. Berger says, "I'm over the moon about it. They had some seriously star students in our grade. Ms. Amber and Ms. Karen were incredible and worked so hard with the kids." She rates it a 5 out of 5 stars. Ms. Amber thinks, "They did a fabulous job, we were so proud of them. They worked really hard and put on a fun show."

5th and 6th grade– Peter Pan

Their big play performance has not yet started. Their performance is in May. Here are the 4th grade teachers' thoughts of the Peter Pan. Ms. Anderson comments. "I'm excited to see the set and the personalities in each student...also how their excitements bring out the play. Ms. Jones is excited to see them perform and to see the set."
