

Outsourcing Classes:

Davinci offers optional community classes in things like martial arts, swimming, gymnastics, rock climbing, guitar, etc.

- Classes created especially for Davinci distance students.
- Students can take 1-2 classes a semester.
- Extra out-of-school learning & time with their friends.
- Tuition is free with enrollment in our program.

Parent Support Events:

Parents in our school and community will be invited to enjoy monthly events on a variety of educational, behavioral, and parenting topics that are relevant to schooling your child at home. Listen to what's working for others and share your experiences with us so we can all grow together as teachers.
